

Michelle R. Smith

Brooklyn

studiomrs.com

Following a career as a lawyer, Smith founded her design firm, Studio MRS, in 2011. Her spaces feel both elegant and timeless, often with an eye toward refined vintage elements. Smith's own home, a Greek Revival townhouse in New Orleans, graced one of two covers for our April 2023 issue. At the moment, she's in the midst of completing residential projects in New York, Georgia, and New Hampshire.
